академичния състав**

на доцент д-р Мая Иванова Димитрова,
представен за участие в конкурс за заемане на академичната длъжност „професор“ в
област на висше образование 5. Технически науки, професионално направление 5.2.
Електротехника, електроника и автоматика, научна специалност „Приложение на
принципите и методите на кибернетиката в различни области на науката“
(Роботизирани технологии с човеко-машинен интерфейс), обявен в "Държавен
вестник", бр. 26 от 21.03.2023, стр. 34.

***12. Цитирания в научни издания, реферирани и индексирани в световноизвестни
бази данни с научна информация или в монографии и колективни томове – 10т.***
