Пояснение:

Номерирането на публикациите е съгласно обозначенията на групите показатели и показателите от Таблица 1 и Таблица 2 за „Област 5. Технически науки“ от Приложението към чл. 1а, ал. 1 от Правилника за прилагане на закона за развитието на академичния състав в република България. Конкретно, номерирането за всяка публикация съдържа два поредни символа, тире и пореден номер:

- I-ви символ: Главна буква, обозначаваща групата от показатели;
- II-ри символ: Цифра, обозначаваща номера на съответния показател;
- Тире;
- Последни символи: Пореден номер на публикацията в списъка
